7.3 INSTITUTIONAL DISTINCTIVENESS

Sri Mahaveera College, Moodbidri was started in 1965 by two great visionaries Dr. TMA Pai, the architect of Manipal Group of Institutions and Sri S.N. Moodbidri. The College is sponsored by Academy of General Education, Manipal which is known for providing world class education in India and abroad. The College is a grant-in-aid institution and comes under the Department of Collegiate Education, Government of Karnataka. Keeping this in mind, the founders of the institution designed vision and action plan to provide quality education in affordable cost and make the students competent and capable to handle crisis.

The College is co-educational institution and is situated in rural area. The vision of the college is to make students competent, resourceful, confident and employable and shaping their personality and making them as good citizens. With this vision, College has successfully completed 56 academic years and shaped students who have become policy makers, judicial officials, bureaucrats and entrepreneurs.

One distinctive area to its priority in which the College has done extra-ordinary performance is academic achievement. The admission policy of the College allows all the students who apply are given opportunity to pursue their degree. The entry and exit level academic performance of the students from 2015 to 2020 highlights their academic performance. The College is catering to the needs of rural youth and majority of them are from economically poor family background. The rural background students cannot afford their education in the urban College because of high fee structure. Our College provides education to the students of

rural area with less fees. The students irrespective of their academic performance are given admission.

Steps adopted by the College to achieve Academic Excellence

- Well qualified and experienced teachers in all the streams. 6 permanent teachers are having Ph.D degree, M.Phil and have more than 20 years of teaching experience.
- Individual attention is given to every student and the College takes additional measures to improve the learning ability of every student through mentoring, group discussion. Special focus is given to slow learners.
- The College Management is student friendly and motivates the students to pursue higher education on world class institutions run by our management.
- Class rooms are equipped with ICT facilities.

Student friendly Library facilities

- To boost the academic interest of the students Library and Information Centre of the College provides maximum facilities like Book Bank facility, issue of text books on deposit, overnight lending of books, access to E-resources through N-list, reference section, xerox facility and Internet facility.

Endowment Prizes and Scholarships

- Meritorious students are encouraged to continue their studies by giving endowment prizes and scholarships created by Management, NGO's and the Government.
- Best Outgoing Student Award is given to the outgoing final year student by considering academic and all-round performance.
- The academic achievers are recognised by the College by giving proficiency prizes in the College Day Celebration which creates a healthy competition among the students.
- The top management of the College – Manipal Academy of General Education which runs 6 prestigious degree colleges, honour the rank holders in the University examination in a public function by giving opportunity for higher education and with cash prize.

Memorandum of Mutual Understanding

- The College has signed MOU with Professional Organisations with an intension of inculcating professional skills and leadership quality along with academic performance which helps in the placement process of meritorious students.

Soft Skill Training

- To enhance the communication skill and personality development soft skill training is given to the students.
- Eminent resource persons are invited to train the students to face competitive examinations and interview effectively.

Free Midday Meal Scheme

- Financially weak and meritorious students are given free midday meals. This motivates and enables the students to achieve academic performance.

The College vision aims at providing good education to the students to make them confident, competent and employable. The exit level of the students' academic performance shows the importance given by the College to quality education. In addition to academics, the participation of the students in extracurricular activities has shaped their personality and also made them good citizens. The quality education provided by the College has led to the intellectual and emotional growth of the students. Apart from studies, other activities conducted by the College inculcate human values among students and has led to their overall development.
